PRECISION MACHINING INSURANCE PROGRAM

MMA Programs, endorsed by the National Tooling & Machining Association, has engineered a comprehensive program exclusively for the Precision Machinery industry. We have formulated a delivery of specialized products and services to develop and maintain a powerful partnership.

WE BRING YOU THE EXACT
INSURANCE PROGRAM
YOU NEED

COMMITMENT

Utilizing a client focused approach, we work with industry members, associations, and a limited group of brokers to provide the specialty coverages that are needed by precision machining operations.

SAFETY & LOSS CONTROL

MMA Programs is committed to reducing risks and promoting a healthier and more productive workforce.

- Tailored safety & risk management consulting
- Detailed assessments for NTMA members

PROGRAM ADVOCACY

- Endorsed by the NTMA
- Aggressive advocacy for reserve reductions and file closures
- National claims firm providing personalized service through specialty adjustors
- Bill review, case management and utilization review to reduce claims and their effects on future experience modifications and insurance premiums

COVERAGE HIGHLIGHTS

- An extensive Property Endorsement customized to meet the coverage of NTMA members
- Ability to waive Aviation Exclusion on General Liability Coverage for NTMA Members
- General Liability Coverage Enhancement available to help minimize exposures when working with multiple customers
- Auto Liability Coverage Enhancement also available to broaden your Commercial Automobile coverage
